Call For Engagement - Global Youth Rise Up for Gender Equality

As we mark the 25th anniversary of the Beijing Declaration and Platform for action in 2020,

We, the Beijing+25 Global Youth Task Force are committed to making the voices of all youth around the globe heard for the accelerated realization of Gender Equality.

The Beijing+25 Youth Task Force, set up by UN Women, is an independent body comprising of 30 young leaders from different youth-led and youth-serving organizations from around the world.

All your inputs and engagement will count towards the global change we are working to achieve in gender equality and the achievement of the 2030 Sustainable Development Goals (SDGs). Your voices will shape the youth declaration for action at the 64th Commission for the Status of Women (CSW 64) in March 2020.

The Beijing Declaration and Platform for Action of 1995 (Beijing Platform for Action) is the most visionary agenda for the empowerment of women and girls, everywhere. Developed at the Fourth World Conference on Women in Beijing, China—known as the largest-ever gathering of gender equality advocates—the Beijing Platform for Action was adopted by 189 governments committed to taking strategic, bold action in 12 critical areas of concern: poverty, education and training, health, violence, armed conflict, economy, power and decision-making, institutional mechanisms, human rights, media, environment, and the girl child.
